A Message from the President

Since becoming the President and CEO of Old Sturbridge Village seven years ago, I've learned a great deal about the importance of preserving history, in general, and about promoting early 1800s New England history specifically. More than that, I've come to appreciate how many of you share this sentiment.

I have been inspired year after year by the outpouring of support from our donors and members. You have helped keep the past relevant and accessible to our visitors, from school classrooms and from around the world.

I have discovered that many of you support multiple initiatives here at OSV. You open your hearts whenever we ask. You aren't necessarily giving from great accumulated wealth, nor are you always motivated by tax advantages. Rather, you have become our partners, and you give because you care about this museum and what it teaches now and what it safeguards for the future.

I'm biased, I know. I have been fortunate to get to know many of you, and to work alongside of truly generous and far-sighted individuals. Your giving never fails to move those of us who work here.

Many of you give over and over again, while others are wonderful new friends and supporters. We try to hold many events during the year so that we can gather together in this place we all care for so deeply.

In this Annual Report, you will see long lists of names. But we all know what this represents. In a museum today, especially one of our size and complexity, it is critically important to have partners we can count on. The truth is that every project we undertake is important. And every time we reached out and asked for your involvement, you responded.

This Annual Report represents the way a community of like-minded individuals comes together to support something that matters. Thank you for helping us accomplish what we have in the past year. Together we continue to paint a brighter future.

Preserve the Past. Support the Future.

The George Washington Wells Society

The George Washington Wells family established Old Sturbridge Village, one of the largest outdoor living history museums in the country. George's sons bequeathed to OSV their vast collections of artifacts of material culture from early 19th-century New England. These became the foundation for educational programs and year-round exhibits that tell the story of everyday life in a small New England town during the years 1790 to 1830.

Today, the George Washington Wells Society recognizes those individuals who name Old Sturbridge Village as a beneficiary in their estate plans. Friends who inform us of their intention to support Old Sturbridge Village with a bequest or planned gift demonstrate their understanding of the importance of leaving a legacy to preserve history.

A bequest in your will or trust to Old Sturbridge Village may consist of a percentage of your estate, a fixed dollar amount, or specific property. You may name OSV as a beneficiary of your retirement plan or IRA, entitling your estate to a charitable tax deduction. Or, have all or part of your life insurance proceeds paid to OSV, or donate them to us outright. OSV is grateful for bequests of any size, which together help ensure that this living museum will be here for future generations.

The Cornerstone Circle

Old Sturbridge Village's Cornerstone Circle recognizes those individuals who gave \$2,500 or more this year.

The word "cornerstone" indicates the first set of stones in a masonry foundation. All other stones are set in reference to this stone, determining the stability and position of the structure to come. Our Cornerstone Circle recognizes donors whose generosity has a profound impact on our mission to preserve Old Sturbridge Village for future generations.

Cornerstone Society donors receive a complimentary Annual OSV Family Membership, which includes all member benefits, and are invited to the annual Federalists Society Appreciation Event in June and the new Cornerstone Society Appreciation Event in December.

Field of Flags in 2013

As a Blue Star Museum, Old Sturbridge Village offers free admission to active duty military, National Guard, Reserve military, disabled veterans, and career-retired military members and their families. We are able to provide this because of the support of our generous donors. Every \$25 that was donated planted one flag and provided complimentary daytime admission offered to military members and their families.

Preservation Society Members in 2013

An extensive collection of artifacts, including sixty-eight historic and reproduction buildings from throughout New England and New York, provide the foundation, backdrop, and stage for our public programming. Our donors are helping to preserve this shining example of America's past, far into the future.

Norm Abram, Old Sturbridge Village Trustee is also the host of The New Yankee Workshop and Master Carpenter for This Old House.

Four Centuries of Massachusetts Furniture

Four Centuries of Massachusetts Furniture is an unprecedented collaboration among eleven institutions that celebrates the craft and industry, tradition and innovation of Massachusetts furniture-making through a series of exhibitions, symposia, public programs, and a dedicated web site. Throughout 2014, the public can engage in a discovery of Massachusetts creativity from the early 1600s to the present day. The website for the project is: www.fourcenturies.org.

Participating institutions:

Colonial Society of Massachusetts
Concord Museum
Fuller Craft Museum
Historic Deerfield
Historic New England
Massachusetts Historical Society
Museum of Fine Arts, Boston
North Bennet Street School
Old Sturbridge Village
