## DRAW

Visit the **ASA KNIGHT STORE**. Choose a section of the shelf.  
**DRAW** all of the items you see on the shelf.

If you could buy 3 things in the Asa Knight Store, what would you buy?

## DILEMMA

Your parents want you to learn a trade. Your choices are: blacksmith, pottery, coopering, tinning, shoe making or printing. **Which trade would you choose and why?**

## MAKE

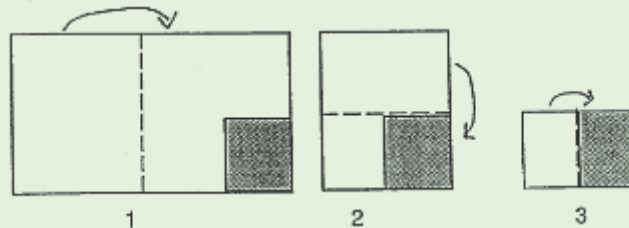

Use the directions below to make this craft at home!

### MAKE A JOURNAL!

#### Materials:

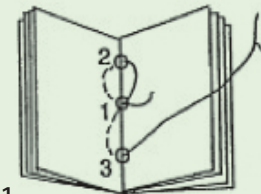

11" x 17" piece of paper  
Scissors  
Needle and thread

Fold the paper in half three times, always keeping the front cover section (the dark rectangle) on top.

Sew the journal as shown in the diagram using a single thread.

1. Down through hole 1
2. Up through hole 2
3. Down through hole 1
4. Up through hole 3
5. Tie ends in a knot to close hole 1

Cut the top and side edges and enjoy your journal!

## MAKING IT!

**BIG QUESTION:** How were things made?

## INTERVIEW

Visit one of the trade shops (Tin, Blacksmith, Pottery, Cooper, Shoe, or Print) and **INTERVIEW** a tradesman at work.

Q. What are you making?

Q. What types of materials do you use?

Q. Where do you get your tools?

Q. How did you learn these skills?

## WATCH

Visit one of the houses to find a **WOMAN** who is making something. **WATCH** her closely as she works.

What is she making? \_\_\_\_\_

What are the steps she is taking?

# Welcome!

## to Old Sturbridge Village

Use this map and list of today's activities to explore Old Sturbridge Village. Learn about life in rural New England between 1790 and 1840, and how early American living applies to your life today. Talk with costumed historians and artisans, meet our heritage breed animals, see 19th-century demonstrations and witness history coming alive!

### FOR THE SAFETY & COMFORT OF ALL:
